Development of a software Programme for Gem and Jewellery Research and Training Institute

I am writing to inform you that the following group of students from the Sabaragamuwa University of Sri Lanka, as part of their academic project, has successfully developed and delivered a Management Information System (MIS) tailored for the Training Division of the Gem and Jewellery Research and Training Institute.

- Disara Mapalagama
- Navindu Rathnayaka
- Dushyantha Thilakarathne
- Minuri Hewage
- Janarthan Vijayakumar

The project team worked diligently to meet all the specified requirements and customizations necessary for the system's implementation. We have thoroughly reviewed the software and confirm that it meets our expectations in terms of functionality, usability, and customization. The software has been handed over successfully and we are pleased with the students' professionalism and technical abilities throughout the development process, and we appreciate the hard work they put into the project.

This letter is issued at the request of the students.

Yours sincerely,

Wasantha Gamlath
Director General (acting)
Gem and Jewellery Research and Training Institute
